Deputy headmaster and organiser of vocational education: Boros Gabriella	
<p>The Borbély Lajos Vocational Secondary School – in the southern part of Salgótarján – is a complex institution with more than a hundred-year-old tradition.</p> <p>At present about 1000 students are studying 18 professions in 50 classes in several training forms.</p> <p>Well-equipped, computerized classrooms, labs, workshops and excellent teachers, trainers, experts provide the necessary conditions to studying. Our library with 18,000 volumes, the well-developed video- and computer network, the Internet give further possibilities to train the students.</p> <p>A gymnasium, a fitness room, sports fields, a schoolcanteen are also available for everybody in the school. We hope that all of our students will successfully be prepared for their professions, permanent changes of life, continuous self-educations, further studies.</p>
